

Code of Conduct – Participants

All participants in sport should be able to feel safe in their activity and enjoy their experience. Everyone taking part should behave in a way which ensures that all other participants can also enjoy their experience.

As a participant I will try to do the following:

- ☐ Play for fun.
- ☐ Be fair and co-operative with all involved.
- ☐ Always play by the rules.
- ☐ Respect your Coach, Team Manager and all other Event Staff.
- ☐ Always abide by the official's decision.
- ☐ Control your temper.
- ☐ Never give up.
- ☐ Be a good sport and recognise good play from your team and opponents.
- ☐ Work hard to improve your skills and help the efforts of your team.
- ☐ Enjoy yourself!

All participants at the County Durham Sport School Games are required to abide by the above code of conduct and failure to do so may lead to disqualification of yourself and potentially your team from the games and it may lead to not being able to take part in future school games events.
