Away Trips

Travelling to away fixtures is a regular event for many clubs and teams. Trips may vary from short journeys across town to play another local team or involve more complicated arrangements involving overnight stays and events overseas. But even what may appear as the most straightforward of trips will require some level of planning. The following will outline a number of issues that need to be considered when travelling with children.

Communication with:

- **Children** – they should be aware of the travel plans, venue and time for collection, time of return and any costs. Children should also have a clear understanding of what standard of behaviour is expected of them. Children must know what sports kit they need to bring with them.
- **Parents** – should be made aware of the above and must have completed a consent form detailing any medical issues that the team manager should be aware of. Parents should also have the name and contact details of the team manager in the event of an emergency.
- **Other coaches / volunteers** – need to be made aware of what their responsibilities are in advance of the trip. If the trip is a long journey, it is important that all coaches / volunteers have an itinerary.

Transport

Planning needs to take place before the event to make sure that, whatever mode of transport is being used, any safeguarding concerns can be addressed. A more detailed transporting children briefing is available from the [Child Protection in Sport Unit](#),

Ratio

Dependent on the sport the [ratio of adult to child](#) may vary but what ever is considered appropriate would generally need to be increased when travelling away from home.

Insurance

The team manager needs to ensure that the club's general insurance covers travel to away events and cover should include baggage loss, medical cover and emergency expenses to cover accommodation and transport. Further guidance is available within [Safe sport events, activities and competitions](#) document

Emergencies

Procedures need to be in place in the case of an emergency taking place during an away trip or whilst being hosted. Further guidance is available within [Safe sport events, activities and competitions](#) document (insert link) as to what should be in place before the trip takes place and what to consider whilst the young person is away.

Hosting

- A host should be provided with as much information about the child/children staying with them and details of the competition.
- The host should agree to provide references and be vetted when this is available. When arranging for events/trips abroad, the club or Governing Body will be dependent on the ability of the host organisation to access vetting services and obtain appropriate references.

For further more detailed information on taking children away on a residential, please refer to [Safe sport events, activities and competitions](#) document.
